

# LANGUAGE IS FUTURE

Learning, in general, is a journey with its ups and downs; however, once it comes to learning English, Pearson Roadmap Series turn the bumpy road into a smooth and comfortable pathway. Roadmap is a new 8-level general English course for adults recognizing every class is different and every learner is unique. The lessons focus on key vocabulary and speaking skills, and provide training in reading, writing and listening with the dual track structure. This program teaches 8 levels from CEFR A1 to B1 as each course book is designed for 2 levels.
