

Your Getaway To Success

Al Dar Academy is honored to offer private English courses to our clients with different goals as they allow you to advance at your own pace, study in a private environment, and work on your specific needs. Our Private lessons are 100% student-focused.

One-to-One

- Focuses exclusively on the student's needs.
- Offers flexible schedules.
- Allows for more intensive learning experience.
- Provides more opportunities for speaking practice.
- Creates more confidence in the language skills.

The Enrollment requirements

- The Pearson Placement test and an interview are conducted to determine our learners' English course level.
- The One-to-one English Course is offered to students on any level of English proficiency.

Course Components

1. Depending on their needs, students take private classes in English to overcome language barriers or to improve a specific skill.
2. Some do it for certification exams at specific levels.
3. We create customized course materials tailored to our students' needs.
4. Students can select their preferred class type such as conversation, grammar, IELTS, etc.

Course Duration

- Flexible timing suiting students' request.

Course Objectives

- To achieve exam success faster.
- To boost your self-Esteem.
- To improve your everyday English skills.
- To develop interpersonal, critical thinking, and the English language skills.
