

# BROADEN YOUR HORIZONS WITH ENGLISH

## ROADMAP™ C1 STUDENTS' BOOK

Intelligence, knowledge, or experience are nowadays the most important factors to get a person a job; however, strong communication skills are what will get them promoted. This perfectly explains the importance of effective and advanced English communication skills. This program teaches 8 levels from CEFR B1+ to C1 as each course book is designed for 2 levels.

### Advanced English

- Is an 8-level English course for gaining high scores on international English exams such as IELTS.
- Helps students develop a range of advanced vocabulary.
- Enhances accuracy during interviews, discussions and presentations.
- Boosts critical listening and speaking skills in various contexts.
- Enable learners to understand a wide range of more difficult texts and recognize implicit meanings.

### Course Components

1. Student's Book and Interactive eBook.
2. online practice, digital resources and mobile app.
3. Workbook with key and online audio.
4. There is a mid-term and final exam on every course level.

#### The Enrollment requirements

- The Pearson placement test and an interview with one of our teachers will accurately determine your English level from A1 to C1 on CEFR scale.
- Each course level from A1 to C1 is a pre-requisite for the next general English course level.

#### Course Duration

- Every level is taught for 36 hours within 6 weeks.

#### Course Objectives

- To take part fluently and effortlessly in any conversation.
- To understand any kind of spoken language, live or broadcast, at fast native speed.
- To read with ease abstract, complex texts such as manuals, specialized articles and literary works.
- To write clear, smoothly-flowing text in an appropriate style.
- To write complex letters, reports or articles which present a case with an effective logical structure.
- To score band 6.0 and above on the IELTS exam.
